

COMMONWEALTH OF PENNSYLVANIA  
DEPARTMENT OF PUBLIC WELFARE

April 16, 2015

Dear Provider:

The attached document is the Addendum to the Provider Waiver Agreement. You must sign this addendum if you would like to participate in the processes to support the provider settlement agreement. The agreement language speaks for itself, but please know with respect to the retention provision the federal share is contingent upon approval from the Centers for Medicare and Medicaid Services. That said, nothing at this time leads the Department of Human Services to believe that federal approval will not be secured.

The Office of Developmental Programs (ODP) must have the signed addendum not later than May 4, 2015. That means a hard copy with an original signature must be received by ODP not later than May 4, 2015 either by mail or in person, or it means a scanned version of the signed addendum must be emailed not later than May 4, 2015 and the hard copy with the original signature must be sent to ODP with a postmark no later than May 4, 2015.

Mail or in-person deliveries to the following: David Bachman  
625 Forster Street, Room 401  
Health & Welfare Building  
Harrisburg, PA 17120

Send emails to the following: Dave Bachman at [dabachman@pa.gov](mailto:dabachman@pa.gov).

If you have any questions, please contact ODP at [ra-ratesetting@pa.gov](mailto:ra-ratesetting@pa.gov).

Sincerely,

A handwritten signature in black ink, appearing to read "Stephen H. Suroviec".

Stephen H. Suroviec  
Deputy Secretary
